

## SYNOD CREATES NEW PRESBYTERY

Also Undertakes Upbuilding of Charitable Institution Now Badly Needed.

### PUT IN NINE HOURS' WORK

Large Audience Hears Good Reports on Schools and Missions.

A large audience filled the First Presbyterian Church last night to hear the reports of the Virginia Synod committee on Sabbath Schools and foreign missions. The sessions last night closed a day of routine business, taken up almost entirely with reports from committees. The synod held only one session Wednesday on account of the centennial celebration of Union Theological Seminary, but yesterday the delegates put in nine hours of hard work and will probably keep up the pace until adjournment.

The reports of two special committees differed from the others in that they called for positive action on the part of the synod. A new presbytery, to be known as the Tygart Valley Presbytery, was created on recommendation of a committee appointed to investigate the matter. It was yesterday the report of the Sunnyside Home committee, the synod set itself to undertake the upbuilding of a charitable institution that is regarded as exceptionally important.

This morning's session will be devoted to a prayer service for foreign missions, a memorial service for members of the synod who have died during the past year, and the synodical communion. The disposal of business matters will again occupy a large part of to-day's docket.

The report of the Sabbath school committee, presented by Rev. J. J. Pix, occupied the first part of the meeting last night. The report, which was adopted after calling attention to the needs of Sabbath schools in the synod, recommended that ministers strive to organize a school for every church. It further urged that increased effort be shown in maintaining mission Sabbath schools. It set the pace for improvement during the next year by asking for a 10 per cent increase in enrollment.

Total receipts of \$565.212, with an increase over last year of \$21,578, were shown by the report of the foreign mission committee. There was a decrease in the amount contributed to this fund through legacies during the year, making the total increase from living donors proportionally larger. The synod, in adopting the report, set aside the afternoon and evening of one day during its next session for a missionary rally.

Following the report of the committee, Rev. J. W. Paxton, a missionary to China, addressed the synod in the interests of the foreign field. He described the progress of evangelization in the Far East and devoted some time to a narrative of the Chinese revolution.

### Makes Face Young—Tightens Loose Ties

("Aurilia" in Woman's Sphere.)

A fretful expression, a wrinkled face and a faded complexion, do more to drive the male members from home than is commonly supposed. It was one of my greatest difficulties to appear smiling, fresh and elegant when my dear ones were with me. But I have overcome all that. I have changed my mental attitude and I now find it second nature to look cheerful. Due partly to this, partly to a reliable treatment recommended by a friend, my appearance has so improved I look fifteen years younger than before.

A simple face lotion made by dissolving an ounce of powdered salicylic acid in a half-pint of water, proved a wonderful wrinkle-chaser. I still use this occasionally to regenerate my complexion. I purchased an ounce of ordinary mercurized wax at my druggist's and before using this up, a marvelous transformation had taken place. It was like removing an unsightly mask, revealing a new face, a youthful complexion of distinctive delicacy, clear, white and velvety. I merely applied the wax like cold cream before retiring, washing it off morning and evening. Ten days' treatment sufficed. Advertiser.

#### Afternoon Session.

What was probably the most important matter of business to come before the synod yesterday was the report of a special committee appointed last year to investigate the proposal to organize a new presbytery in West Virginia, out of the territory beyond the Alleghenies in which is now Lexington Presbytery. The report of the committee, presented by Dr. W. C. Campbell, favored the creation of the new division.

A motion to adopt the report followed its reading. Discussion of this motion occupied the closing hours of the morning session and part of the early afternoon. When the vote was finally taken, however, not a dissenting voice was raised against the adoption.

According to the plans outlined by the committee, the new presbytery will be known as the Tygart Valley Presbytery. It will include twenty-six churches in West Virginia, having a total membership of 1,700. The work there will be organized in Elkin, W. Va., November 25, and will be under the direction of the home mission committee of the synod. Appropriations totaling \$4,000 were made to carry on the work next year. The new presbytery is in the heart of the coal fields, and is recognized as a strategic point in the church's home mission campaign. While there are twenty-six churches within its boundaries, only four ministers of the denomination are now actively engaged in preaching there.

When the organization of Tygart Valley Presbytery is accomplished, the Virginia Synod will have twelve presbyteries subsidiary to it.

#### Charter for New Home.

Rev. R. H. Fleming reported that a charter had been secured from the State Corporation Commission for a home for aged and helpless persons. The institution will be known as the Sunnyside Home, and will locate its headquarters in South Boston.

No location for the home itself has been selected. The government of the institution will be vested in a directorate of nine persons, but for the

present, R. H. Fleming, C. H. Friend and C. W. Cook, the incorporators, will have it in charge, assisted by a number of ministers appointed by the synod.

Mr. Fleming's report was adopted, and the incorporators will now try to find a site for the home. The charter permits the corporation to acquire and hold real estate to the extent of 10,000 acres. In discussing the report of his committee, Mr. Fleming urged all the ministers to place the interests of Sunnyside Home before their congregations and strive in every way to insure the success of the undertaking.

The report of the Bible committee, showed that more than 35,000 copies of the Bible have been distributed in the territory included by the synod in the past year, and that translations in thirty-five foreign languages help to make up this total.

Following this action, Rev. M. B. Porter, representative of the American Bible Society, addressed the synod. Mr. Porter described the growth of the society and its extension into foreign fields. He appealed for help to carry on the work, saying that persons accustomed to having easy access to the Bible little appreciated the condition of the thousands of people in the earth who have no copy.

Rev. Russell Cecil, D. D., presented the report of the special committee on the Home and School at Fredericksburg. The document was brief and to the point, recommending that the next Presbyterian General Assembly be asked to vest control of the institution in the hands of the Virginia Synod.

Rev. J. P. Smith, D. D., treasurer, and of the home mission secretary, Rev. J. E. Booker, were correctly kept and balanced.

Other reports from committees appointed to inspect the minutes of the various presbytery meetings closed the afternoon session.

#### Morning Session.

The report of the committee on overtures and bills was first on the docket for the morning session. Among the requests granted when the report was adopted was one authorizing an appeal to the next general assembly, which meets next May in Atlanta, asking that body to readjust the nonsectarian character of the church courts. Another of the committee's recommendations allowed a change in the boundary between the presbyteries of Montgomery and Roanoke, so that the division will conform to the Franklin County line.

J. P. McCallie, of Chattanooga, Tenn., appeared before the synod in the interests of the million-and-a-half campaign instituted by the C. F. Banks and most of the stores closed the attendance was record-breaking during the afternoon and evening. More than 200 people thronged the grounds to-night and witnessed the finest fireworks display ever seen here. To-morrow is Children's Day and all of the schoolchildren will be admitted at the reduced rate. The fair will close to-morrow.

#### BIG PLANT'S BIRTHDAY

C. F. Sauer celebrates fifty years at General Assembly. Many of the citizens of Richmond were guests at the celebration of the twenty-fifth anniversary of the founding of the C. F. Sauer Co., manufacturing and having extracts on Wednesday night. Dinner was served in the new home of the concern at Broad and Meadow Streets, surrounded by the most complete and attractive establishments to be found in the country. Everything has been sacrificed to cleanliness, sanitation and model surroundings for working people.

The guests inspected the huge plant with the greatest interest. Many recalled its beginnings twenty-five years ago, on the small lot of gravel and thought of the growth to the present situation, when the founder, still at the head of the business, employs 500 people and sends his product into every part of the United States.

W. T. Dabney acted as toastmaster, stringing at Mr. Sauer's right, Mayor Ainslie was presented with the address of the assembly and its success. Others who responded to toasts were Thomas F. Ryan, E. J. Dunstan, I. Tolson, G. J. Frazier, Arthur B. Howell, and Charles A. Strickland, members of the city bar, who died during the summer.

## NEARLY ALL FAIL IN EXAMINATION

Ninety-One Per Cent of Pharmaceutical Applicants Refused License.

### EXAMINE POTOMAC OYSTERS

Virginia Investigators Go to Washington—Major Waring Resigns.

Out of the thirty-three young men who took the examination Tuesday for license as registered pharmacists, only three succeeded. This means that thirty men supposed to be especially trained for this work failed to meet the requirements of the State Board of Pharmacy. The three men who got their certificates were John W. Wilson, of Norfolk; E. C. Williams, of Catawba, Va.; and J. Key Brown, of Greenville, N. C.

Some of the applicants for the grade of registered pharmacist made a part of the examination and are permitted license as registered assistant pharmacists. Eleven tried for the assistants' grade, and those of the eleven who succeeded and those of the thirty who made part of the full examination are licensed as assistants, as follows: J. J. Blanks, Richmond; W. K. Henderson, Norfolk; E. B. Davis, Elizabeth, Pa.; G. R. Thomas (colored), Annapolis, Md.; W. E. Peirce, Tazewell, Pa.; Andrew Daniel Parson, Stony Creek, Va.; Andrew T. Oram, Gladys, Va.; Norvell Taliaferro, Ullin, Va.; E. F. Foley, Jr., Richmond; Leonard P. King, Norfolk.

The board completed its work yesterday and adjourned to meet in Richmond on the third Tuesday in January, 1913. The following persons were licensed in this State without examination on certificates from other States, based on reciprocity: R. G. Barr, Norfolk, Va.; G. T. Keller, Winchester, Va.; W. H. Cofman, Norfolk, Va.

### BEGIN OYSTER WORK

Virginia's Representatives to Investigate Potomac River.

Dr. Maude Ferguson, State bacteriologist, and Dr. J. W. Magruder, chemist for the Department of Agriculture, went to Washington yesterday to take up the matter of investigating the Potomac River oysters. They will confer with the representatives of Maryland and those of the National Bureau of Chemistry to arrange methods and times of doing the work.

The investigation is to be thorough. The oyster beds are to be examined, the work extending not only to the oysters but to the water near them.

### MAJOR WARING RESIGNS

Brigade Commander Quits Virginia Military Service.

Major Laurence Waring, of the commissary department, Virginia Volunteers, attached to the First Brigade, has resigned his commission and it has been accepted by the Adjutant-General. An appointment will be made later of his successor.

This is the second resignation of Major Waring from the service. His last commission dates from April, 1911. He lives in Norfolk.

#### Scots Becomes Colonel.

The Governor has appointed Ralph Parker Neale, of this city, as a member of his official staff, to succeed the late Colonel G. Sheldon Bowman. The new colonel is with Scott & Stringfellow.

#### Dr. Toy Appointed.

(Special to The Times-Dispatch.) Charlottesville, Va., October 17.—Dr. Crawford H. Toy, a distinguished alumnus of the University of Virginia, has been appointed to the position of officially representing Virginia at the installation of President Alexander Meiklejohn, of Amherst College.

## COULD SCARCELY WALK ABOUT

And For Three Summers Mrs. Vincent Was Unable to Attend to Any of Her Housework.

Pleasant Hill, N. C.—"I suffered for three summers," writes Mrs. Walter Vincent, of this town, "and the third and last time was my worst."

I had dreadful nervous headaches and prostration, and was scarcely able to walk about. Could not do any of my housework.

I also had dreadful pains in my back and sides, and when one of those weak, sinking spells would come on me I would have to give up and lie down until it wore off.

I was certainly in a dreadful state of health when I finally decided to try Cardui, the woman's tonic, and I firmly believe I would have died if I hadn't taken it.

After I began taking Cardui I was greatly helped, and all three bottles relieved me entirely.

I fattened up and grew so much stronger in three months I felt like another person altogether."

Cardui is purely vegetable and gentle-acting. Its ingredients have a mild tonic effect on the womanly constitution.

Cardui makes for increased strength, improves the appetite, tones up the nervous system, and helps to make pale, sallow cheeks fresh and rosy.

Cardui has helped more than a million weak women during the past 50 years. It will surely do for you what it has done for them.

Try Cardui to-day.

## PETERSBURG DAY DRAWS BIG CROWD

Splendid Exhibits Made by Counties of Southside Virginia.

### PRIZE AWARDS ANNOUNCED

Mayor and Other Officials of Richmond Will Attend To-Day.

Times-Dispatch Bureau, 4 Bollingbrook Street, (Telephone 1485) Petersburg, Va., October 17.

This was Petersburg Day at the Southside Fair, and with pleasant weather prevailing, there was a record attendance on the grounds. It is estimated that approximately 35,000 people crowded on the grounds. And many hundreds from the counties adjacent were there too. The crowd to-night was equally as large. As compared with last year the street car company has carried a largely increased number of passengers to the fair each day, and the gate receipts have been larger. In some few respects the fair does not equal that of last year, but in a great many respects it is far superior, and shows up to greater advantage, and everybody is pleased. In its agricultural, poultry, arts and crafts, machinery, horse and industrial departments the exhibition compares favorably with any fair ever held in Virginia, and in products and progress the Southside counties show up wonderfully. All around the race track this afternoon, where there was standing room, people—women as well as men—were packed twelve to fifteen deep.

To-morrow is Richmond Day and the closing day of the fair. Mayor Ainslie and official party and a large delegation of Richmonders will be over.

#### Awards of Prizes.
